DWELL OVIEDO RENTAL QUALIFYING STANDARDS

Dwell at Oviedo LTD and The Klein Company conduct business in accordance with the Fair Housing Act. We provide equal housing and service for all people regardless of race, color, religion, sex, national origin, handicap or familial status, or any other protected class as defined by state and local jurisdiction.

Identification: All visitors must present a valid driver's license or government issued photo identification in order to view the community and to sign the Lease Agreement.

Rental Rates: Rental rates change daily and are based upon the apartment selected, the move-in date and the length of the lease. Quoted rents will be honored for 48 hours.

Apartment Availability: Management cannot guarantee occupancy of any apartment. The actual date of possession is contingent upon completion of the selected apartment or the vacating of the previous resident.

Applications for apartment homes will be accepted on a first come-first serve basis and are subject to the availability of the specific apartment type requested.

An apartment becomes available to lease when Management posts the notice in the software program, which will happen when one of the following occur:

- Delivery from construction;
- A written notice to vacate is received from all lease holders;
- Keys to an apartment are received;
- A vacancy has been validated.

Under certain circumstances, we will permit current residents who are not in default on their lease to withdraw or change their notice of moving. Other circumstances not necessarily under management's control may also delay the date of availability of an apartment. In addition, an apartment may not be considered available because it is about to be placed under contract as an application has been made and a deposit has been placed to hold the apartment. If the applicant's credit is not approved or if the applicant fails to sign a Lease by the specified date, then the apartment would again become available. Whether a particular unit or type of apartment is available can vary significantly within several hours or a day.

Qualification Guidelines: Each person over the age of 18 must fill out an application and is considered to be an applicant. Each applicant must complete the application in its entirety and all information provided must be true, accurate and complete, as well as verifiable. Income plus verified credit history and identity confirmation will be entered into a credit scoring system, which determines both rental eligibility and security deposit level. Criminal history will be verified and must meet the standards outlined below in order to be eligible to rent. Each applicant's criminal status will be individually evaluated; leaseholders' income and credit will be combined. Any person residing in the apartment must be listed on the application including persons under the age of 18. Prior Landlord references may also be checked.

Following the completion of their apartment rental application and prior to move-in, each applicant must complete a PetScreening application. See additional information below – **Pet Screening.**

Credit Worthiness: A credit report will be secured for all leaseholders to verify account credit ratings. The results will be entered into the credit scoring model, which determines applicant eligibility to rent and security deposit level. Unfavorable accounts which will negatively influence this score include, but are not limited to: collection, charge off, repossession and current delinquency.

Identity Verification: We use Resident Verify to perform the screening of our applicants. Resident Verify utilizes Precise ID to confirm your identity. After submitting your application, you will receive an email with instructions about this process, which may be a single-use authentication code sent to your cell phone and/or a series of authentication questions. This process is time-sensitive and will need to be completed within 10 minutes of starting the process. This process must be completed before the application can be approved. If the process has not been started within 48 hours of application submission, the application will be automatically denied.

Income Verification: Proof of verifiable recurring sources of income equal to 3 times the monthly market rent (plus all other rental charges such as pet, garage, storage rent, etc.) is required. Verifiable sources of income include, but are not limited to, recurring payroll deposits, distributions from investments, social security, etc. Additional sources of income may be considered. Management may request additional documents.

Gross annual income for all applicants is combined. Documents required to verify income can include the most recent 4 consecutive pay stubs, prior year 1099* or current W2* (*only accepted during first 2 months of calendar year), financial statements documenting distributions, etc.

Criminal History: A criminal background check will be conducted for each applicant. The criminal search will be run for all addresses at which the applicant(s) has resided over the previous 24 months. The application will be denied for any of the following felony convictions that have occurred within the seven (7) years prior to the application date (except as otherwise noted):
